

Ms. Melissa Scott, FSG

Melissa is building FSG's presence in India and has previous experience working extensively with community foundations through FSG's CF Insights division. She has worked at Marketing and Planning Systems (MaPS), performing market research and analysis for Fortune 100 companies. While in business school, Melissa worked with Ashoka's Housing for All initiative to scale affordable housing solutions across India. She has also worked with the European Venture Philanthropy Association (EVPA) to execute the first benchmarking study of trends in the venture philanthropy landscape in Europe.
