ORDER

Subject: Constitution of Task Force on Cement Industry for the Eleventh Five Year Plan (2007-2012)

In the context of preparation of the Eleventh Five Year Plan, it has been decided to set up a Task Force on Cement Industry with following Terms of Reference and Composition are:-

I. Terms of Reference

1. To review the status of Cement Industry during the Tenth Plan highlighting the achievements and reasons for any shortfall, in the fulfillment of targets.
2. To project demand, state-wise and region-wise for Cement Industry during Eleventh Five Year Plan and to recommend measures for increase in production through modernization, expansion, setting up of new cement units etc.
3. To examine and recommend measures for encouraging use of cement in infrastructure sector projects.
4. To analyse trend of exports vis-à-vis global market, identify potential export markets, its demand and competitive sources of supply and to suggest measures to promote cement exports to these markets.
5. To examine cement imports and implications of WTO on cement industry.
6. To review the status of existing technology and identify the needs for further R & D activities and/or technology collaboration to upgrade technology.
7. To assess availability of skilled manpower, facilities for training and human resource development.
8. To explore energy saving methods and alternate sources of energy like pet coke, LNG, CNG, organic waste materials etc.

Ku

Contd. 2/-

9. To suggest measures for pollution control in cement plants.
10. To examine and recommend measures for encouraging recycling technology using industrial waste and effluents in the cement industry and fiscal and other measures for accelerated use of waste products (like fly-ash, slag, effluent from paper industry etc.)
11. To review the performance of mini cement plants and recommend measures for the growth of this sector.
12. To update national inventory of limestone and review status of upstream linkage for cement units.
13. To examine the status of bulk transportation of cement and recommend measures for increased bulk transportation.
14. To bench mark the indigenous cement industry against international industry and suggest measures for bridging the gaps, where necessary.

II. Composition of Working Group
