ORDER

Subject: Constitution of a Working Group on Automotive Industry for Eleventh Five Year Plan (2007-2012).

In the context of formulation of the Eleventh Five Year Plan (2007-2012), it has been decided to set up a Working Group on Automotive Industry. The Terms of Reference and Composition of the Working Group will be as follows:

I. Terms of Reference

- (i) To examine the present status (capacity, production consumption, imports and exports) with special focus on its Potential and Challenges and to estimate demands for 2007-2012.
- (ii) To assess the likely capacity and production of the automotive sector for the period 2007-12, with an indication of the perspective for 10/15 years.
- (iii) To Identify areas of concern inhibiting the growth of the industry and those that impact on the competitiveness of the industry.
- (iv) To Work out specific plans and programmes, including fiscal and other policy prescriptions to enable the industry achieve its growth potential.
- (v) To draw up an export plan giving export targets for the automobile as well as the components industry (year-wise for the period 2007-12) for each sector of the industry considering the development of indigenous industry and world-wide market situation. The Working Group should suggest measures required to achieve the export targets by the industry.
- (vi) To draw up a plan for gradual achievement of international pollution standards/norms by the domestic vehicle manufacturers.
- (vii) To lay down a National Vision/Mission for the Indian Automotive Industry and evolve specific strategies to achieve the National Vision/Mission.
- (viii) To Formulate actionable recommendations to encourage technology development including R&D, Design Engineering, Quality, Skill Building and linkages with frontier technology institutions in the country and abroad by the automotive industry with special emphasis on the auto component sector.
- (ix) To estimate the year-wise investment required to be made in the public/private sectors during the period 2007-12, keeping in view funds required for up-gradation of technologies for achieving international competitiveness, in-house R&D and new products required for meeting the demand supply gap in the long run.

Ku

...contd/2...

- (x) To Provide special emphasis to the development of SMEs in the auto-component sector to enable them to emerge as globally competitive business entities.
- (xi) To ~~prepare~~ Specific plans for building the "Made in India" brand for the Indian automobile and auto-components in the world markets.
- (xii) Any other matter considered integral to the above objective.
