

The Water Resources Division of the Planning Commission has obtained from the State Governments with the assistance from Central Water Commission Regional offices, the details of all the ongoing major and medium irrigation projects in the country, which have spilled over from the Ninth plan to the Tenth plan. In all, 156 Major and 224 Medium irrigation projects (total 380 projects) have spilled over and the following information is given in the compilation.

- (a) Name of the State
- (b) Name of the project
- (c) Plan of start
- (d) Approval status by Planning Commission
- (e) Original and Latest Estimated Cost
- (f) Expenditure up to IX plan
- (g) Likely expenditure 2002-03
- (h) Balance cost as on 1.4.03
- (i) Ultimate irrigation potential
- (j) Potential created up to IX plan
- (k) Balance potential to be created.

The information will be of immense use to the other Ministries, Departments, Organizations, State Governments and individuals involved in the water resources sector.

An abstract giving the State wise cumulative figures is also prepared for quick reference.
