TERMS & CONDITIONS

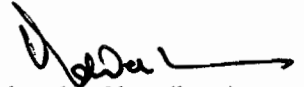

1. The contract is for the Comprehensive Annual Maintenance Contract of different Electrical items provided at the residences of VIPs/Sr. Officers of Planning Commission and Office of Economic Advisory Council to the Prime Minister at Vigyan Bhawan.
2. Planning Commission has the right to reject, relax, or modify the tender without assigning any reason. The tenderers may note that the total number of Electrical items mentioned in the annexure may decrease or increase.
3. The contractor should clearly state such items not covered under the contract. The rates chargeable for any component/items not covered under Comprehensive AMC should be specifically mentioned in the tender, in the financial bid.
4. If the warranty of any Electrical items not covered under the Comprehensive Annual Maintenance Contract(CAMC) expires during the period of contract, it will be automatically covered under the running CAMC from the date that may be conveyed by this Office and payment in respect of such items will be made on monthly pro-rata basis. The period falling short of 15 days in a month, will be ignored and period of more than 15 days will be treated as a month for the purpose of payment. The same mode of payment will apply in case any Electrical items is removed from CAMC for a short period or on a regular basis.
5. The selected firm will be required to depute at least one full time technically certified and trained personnel with mobile phone facility at his own cost at the premises of Planning Commission on all working days for preventive maintenance and also to attend to complaints immediately. The deputed personnel will report to Section Officer/Dealing Assistant (General-II Branch). He would observe office timings applicable in Planning Commission and mark the attendance everyday.
6. In emergent cases he may be required to work beyond office hours and also on holidays for which no additional payment will be made.
7. If the Electrician posted at Yojana Bhawan, has to proceed on leave, even for a day, a suitable substitute will have to be provided by the selected firm under intimation to Under Secretary (General-II)/Section Officer, General

Branch - II failing which, pro-rata rates per day will be deducted from the amount payable to the selected firm.

8. The Electrician should be able to take complaints on telephone and attend to all complaints, independently. He should also be well behaved and well mannered.
9. The complaints lodged with the Electrician will be required to be attended by him on the same day. Any complaint that cannot be attended by him will be required to be attended by the next day positively.
10. If at any point of time, the services of the Electrician, being provided by the firm are noticed to be unsatisfactory or not of the expected level in any manner, the firm will be responsible to change the Electrician immediately soon after such inadequacies are brought to the notice of the firm verbally/in writing.
11. The selected firm should be capable of attending all the complaints. If the firm fails to attend to a complaint within stipulated time, a penalty on a daily basis for any delay, equivalent to pro-rata contract charges payable per day or charges that may be required to be paid to an outside agency, to have the complaint attended to, whichever is higher will be deducted from the firm's quarterly bill towards contract charges. In case of delay, any item that is got repaired from outside agency will be at the risk and responsibility of the selected firm.
12. No Electrical items or parts thereof will be taken out by the Electrician to the workshop without prior approval of the Competent Authority of Planning Commission.
13. Payment will be made on quarterly basis (at the end of every quarter) after satisfying that the services provided have been of the desired level and that the preventive maintenance checks were fully performed.
14. The tendering agency will be responsible for compliance of all statutory provisions relating to Minimum Wages, Provident Fund, and Employees State Insurance etc. in respect of the persons deployed by it in this Commission and Planning Commission will be having no liability in this regard.
15. The Competent Authority will have the authority to reject any/all offer(s) without assigning any reason thereof. Any enquiry after submission of the quotations will not be entertained.

16. The Competent Authority reserves the right to conduct performance review of the contracting firm at any time during the contract period and deficiencies, if any noticed will result in termination of the contract. It further reserves the right to suo-moto terminate the contract by giving one month notice at any point of time without assigning any reasons.
17. It shall be responsibility of the contractor to hand over all the Electrical items under AMC to the Planning Commission in working condition at the completion of the contract. Any damage/repair required in the Electrical item on the expiry of the contract shall be borne by the firm & such an amount would be deducted from the bills of the firm.
18. The firms should have an experience of at least three years in maintenance of various types of Electrical items of which minimum two years with Government Departments. Satisfactory service rendering certificate from at least two existing running contract to be enclosed with the Technical bid.
19. During the period of contract, if any mishap occurs due to electrocution or faulty fittings, it will be the responsibility of the contractor to compensate the loss on account of injury to any person/property without any liability on part of Planning Commission.
20. Corrections and over-writing in the tender document is not permissible. Every sheet of the tender document and the terms and conditions shall be signed and stamped by the authorized signatory of the firm. Mere sending quotation only will not have any right for award of contract. However, the contract will be awarded as per terms & conditions of the tender document.
21. The firm would provide necessary tools and instruments to their Electrician for the purpose of servicing the equipment covered by the contract at their cost.
22. **All tendered rates shall be inclusive of all taxes and levies under respective statutes.** However, pursuant to the Constitution (46th Amendment Act,1982), if any further tax or levy is imposed by Statute, after the stipulated date for the receipt of tender including extensions if any and the contractor thereupon necessarily and properly pays such taxes/levies, the contractor shall be reimbursed the amount so paid, provided such payment, if any, is not , in the opinion of the Competent Authority of Planning Commission (whose decision shall be final and binding on the contractor) attributable to delay in execution of work within the control of the contractor.

23. The bill raised by the firm should have all Tax Registration numbers printed in the bill. Copy of PAN and Registration of Service Tax should be enclosed. Validity of the Tax Registration shall be the sole responsibility of the firm.
24. In case, violation of any terms and conditions is noticed and if the services are found unsatisfactory, performance security is liable to be forfeited at the discretion of the Competent Authority and Service Contract may be terminated.
25. A firm will be decided L-1 on the basis of total value for all Electrical Items.
