1. **Secretariat-Social Services**: It provides for the expenditure on secretariat of the Department of Health Research.

2. **Direction and Administration**: It provides for technical expertise in the matter of Health Research at the Head Quarters and is responsible for monitoring of various Health Research activities.

3. **Promotion, Co-ordination & Development of Basic Applied and Clinical Research**: It provides for promotion & co-ordination of basic/applied and clinical research including clinical trials and operational research in areas related to medical, health, bio-medical and medical profession.

4. **Promotion and Guidance on research Governance Issues**: It provides for establishment of a tripartite research policy and implementation/co-ordination mechanism involving the Department of Health & Family Welfare, Department of Ayush and Department of Health Research.

5. **Inter-sectoral Co-ordination in Medical, Biomedical and Health Research**: The scheme covers such areas as technology management, start-up support, innovation, promotion fund, consultancy encouragement programme within/outside India etc.

6. **Advance Training in Research in Medicine & Health**: The scheme envisages to initiate steps for developing a National Health Research System (NHRS) under which diverse research agencies, cutting across Ministries & Sectors will jointly identify priority areas of research and co-ordination with each other to avoid duplication, fragmentation, redundancy & gaps in knowledge.

7. **International Co-operation in Medical & Health Research**: The scheme facilitates International Co-operation in Medical & Health Research including work related to International conferences.

8. **Matters relating to Epidemics, Natural Calamities and Development of Tools to prevent Outbreaks**: The scheme seeks to establish revolving fund to facilitate a rapid mobilization of outbreak/disaster response to infectious disease outbreak or a natural; or man-made disaster.

9. **Matters related to Scientific Societies & Associations, Charitable and Religious Endowments in Medicine & Health Research Areas**: The scheme relates to Scientific Societies & Associations, charitable and religious endowments in Medicine & Health Research Areas.

10. **Co-ordination in the field of Health Research with Governments, Organizations & Institutes**: The scheme seeks to co-ordinate between organizations and institutes under the Central & State Governments in the areas of promotion of special studies in medicine and health.

11. **Indian Council of Medical Research, New Delhi**: It is the apex body in the country to promote, co-ordinate and formulate biomedical and health research. Central Government gives maintenance grants to the council for research in communicable diseases, contraception, maternity and child health, nutrition, non-communicable diseases and basic research. The council is also engaged in research on tribal health, traditional medicine and publication and dissemination of information.

12. **Other Health Research Schemes**: It includes miscellaneous activities in the field of Health Research.

13. **Provision for projects/schemes of North Eastern Areas and Sikkim**: A lump sum provision of Rs.50.00 crores is earmarked for schemes/projects for the benefit of the North east Region and Sikkim as per guidelines of the Planning Commission.
